

		date		notes for session	stage		systems
wk1	m	16.07.12	Course intro Project intro	read hand out arrange transport with classmates and tutor	site measure	pre-design	Course intro Project & Part A Intro
	w	18.07.12	site visit	bring warm clothes and suitable footwear meet at school for directions			draw up site plan locate on District Planning maps
wk2	m	23.07.12	desk crits	have a draft site measure laid out		concept design	building code check
	w	25.07.12	present site measures	present a beautiful well crafted detailed site measure (format of your choice) & initial concept 'brief'			office hours/independent study building code check
wk3	m	30.07.12	desk crits	develop concept planning diagrams hand sketches vignette models/studies (site and detail scale)	developed design	planning diagram with code check references noted	
	w	01.08.12	desk crits	concept 'board' prelim plans prelim sections hand sketches vignette models/studies		office hours/independent study finish plan with code check refs	
	f	03.08.12				Friday: P1 Part A due 5pm	
wk4	m	06.08.12	mid review	present site measure, concept board prelim plans sections details sketches models		detail & presentation	P1 Part B intro: NZS3604, set up working drawings
	w	08.08.12	desk crits	develop your drawings, models and details (1:100 scale model 1:1 detail model)			office hours/independent study start drawing model
wk5	m	13.08.12	desk crits	developed drawings, model and details (1:100 scale model 1:1 detail)	site measure		CAD model, drawing content laser-cut model from CAD file
	w	15.08.12	final review	present a beautiful well crafted detail site measure detailed plans, sectional perspective, model, 1:1 detail			studio review
wk6	m	20.08.12	prjct 2 intro			prelim design	drawing info, annotations
	w	22.08.12	group crits				office hours/independent study
	f	24.08.12					hand in 50% dwg set for checking
study break							
wk07	m	10.09.12	desk crits	spatial concept diagram site history theory	developed design		1:20 sectional model
	w	12.09.12	round table	present a beautiful well crafted diagram format of your choice			model
wk08	m	17.09.12	desk crits	prelim plans sections detail mock ups models diagram		prelim design	amend drawings from red-lining
	w	19.09.12	desk crits	prelim plans sections details mock ups models diagram			amend drawings from red-lining
wk09	m	24.09.12	desk crits	prelim plans sections details mock ups models diagram	developed design		finishing touches to model, working drawings
	w	26.09.12	mid review	present site info, prelim plans sections details models ...			finishing touches to model, working drawings
	f	28.09.12					Friday: P1 Part B due 5pm
wk10	m	01.10.12	desk crits	developed drawings , models and details		developed design	Project 2 Intro: Specifying Building Systems
	w	03.10.12	group crits	developed drawings , models and details print out images for review			
wk11	m	08.10.12	desk crits	developed drawings , models and details	developed design		
	w	10.10.12	desk crits	developed drawings , models and details presentation review [draft print out if required]			
wk12	m	15.10.12	desk crits	developed drawings , models and details final touch ups...		developed design	
	w	17.10.12	final review	present beautiful well crafted drawings models detailed plans sectional perspective details			
wk13	m	22.10.12			developed design		
	w	24.10.12					
	f	26.10.12					Friday: P2 due 5pm
