EQUIPMENT LEGEND

Mezzanine A
Safe, client supplied.
Filing cabinets, client supplied.
Printer / photocopier, client supplied.
Small printer to Steve/ Colin's office, client supplied.
Microwave, tbc. client supplied.
f2 F&P standing fridge. integrated C270R, with integrator kit. RHH.
t5 INSINKERATOR HC1100 steaming hot water tap
t1 METHVEN FU2050
s6 MERCER 'voto' dish sink, over mount
285L x 230W x 150D
RHEEM 45L Hot Water Cylinder 312045- above mezzanine
535H x 488W
Mezzanine B
SYNESSO Cynrca espresso machine. allow 40A socket for both, confirm phase requirements with client prior to cabling, supplier to convert machine to 3 phase.
allow for water filter and back flow prevention
1016W x 725D x 745H
Large grinder, allow 10 amp socket
STARLINE GL under bench dishwasher with pump. allow for electrics and plumbing. refer manufacturers specifications.
PROBAT sample roaster PRE 1 Z/PRG 1 Z
roaster- 350L x 520W x 700H
cyclone- 385L x 400W x 1250H
f1 SKOPE 3 door underbench fridge. BC180-C, without feet- to sit direct to kick.
1800W x 725D x 745H
t1 METHVEN FU2050
t2 METHVEN Centique
t5 INSINKERATOR HC1100 steaming hot water tap
s1 MERCER 'passato' dish sink. top mount
355L x 305W x 150D
s2 MERCER 'voto' hand sink. top mount
285L x 230W x 150D
RHEEM 180L Hot Water Cylinder 322180- above mezzanine
1166H x 580W
Toilet
t3 wall mounted cleaner's sink taps, tbc
t4 METHVEN FT2050
s3 BURNS FERRALL mop sink
560L x 460W x 255D, with 450H s.s upstand
s4 FOWLER Regent mini wall basin, with one taphole
s5 CAROMA Concorde 500 wall basin, with one tap hole. 631010
Toilets- CAROMA Trident Regal 200 Connector. 981925
allow for coat hook and door stopper to D3

ELECTRICAL LEGEND

	double data/phone points
	PDL 695 double socket
	PDL 699 double worktop socket
	single socket varies in amps check manufacturers spec.
	accessible cut off switch
	PDL 695RCD-10 double socket with RCD protection
	PDL 575 shaver socket
	hard wired socket, white

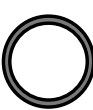

all RL's are measures to the base of sockets. all sockets to be white, unless noted on drawings.

CEILING LEGEND

	new 2 x 13 gib ceiling, sq. stopped plaster finish grade 4
	extract grille. 150 x 150mm extract rates vary, refer sheet 4.03 for details

allow for smoke and heat detectors in new ceilings to comply with fire report.

LIGHTING LEGEND

	THORN aquaforce T827 1200L fluorescent x1
	Dimmable Spotlights, tbc x40
	Superbay SUP 250MH, 1 x 250W MH 510dia x 585H. x3
	THORN Super-Track. track XTS4200-3 (2m white). with straight coupler XTS14-3. x6
	HALCYON FL1021W T5-240V tubular fluorescent 890L. x14
	HALCYON FL1035W T5-240V tubular fluorescent 1490L. x5
	THORN aquaforce T827 1200L fluorescentDOT 2870 wallwasher- dimmable. 270mm dia. white ceiling ring. 245mm cut out, 180mmH with 12W compact fluo. x11
	DOT 2200 downlight- dimmable. 270mm dia. white ceiling ring. 245mm cut out, 190H with 12W compact fluo. x16
	light switches. mount all ground floor switches to wall to location indicated on drawings. all switches to be white. all other switches to locations as indicated on drawings.

PLUMBING LEGEND

	extg waste
	new waste
	water feed
	gas line
	extg floor waste gully
	extg waste pipe to remain
	extg waste pipe- cap off flush with floor
	extg water pipe- connect new plumbing
	extg power and communications risers
	water filter for espresso machine, client supplied

all fixtures to come up within walls, unless noted. allow for isolation valves on all fixtures.

WALL LEGEND

	new 90 x 45 timber frame wall
	extg. brick wall
