

PARK(ING) DAY

CUBA ST. WELLINGTON

8am — 6pm Friday 9 March 2018

Parking Day is an annual global event where artists, designers and citizens transform metered parking spots into temporary public 'parks'.

The map on the back of this handout shows where all the parks are located. There are 19 installations over 25 parks. This year is our fourth event timed to coincide with the Wellington Summer.

More information is on our website: sculpture.org.nz
